the yellow unicorn and fluffy hippo jumped into the sky, and they flew to a far away land.

The white tiger was there too...
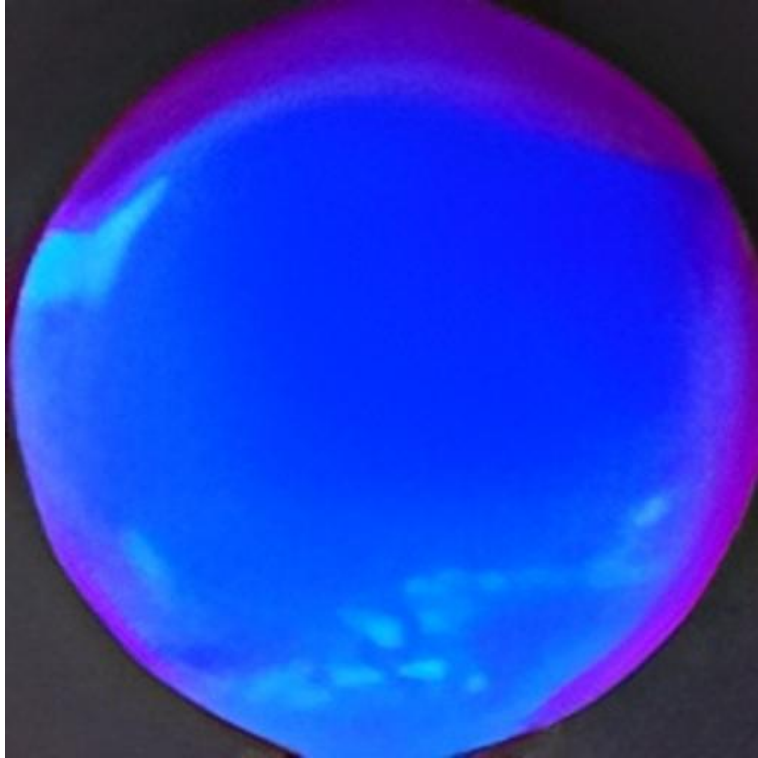

*he had been in that same place before....*

----

it felt like so long ago.....

but then again its only two days since I've seen him last......

---

oh well.. lets go back now!

(I hope you liked this story) please tell me what do u think of my writing?

---

if i have any mistakes or anything else just say something about them :)

thanks for reading!!
